Swimmers are assumed to be competing unless they have notified the recorders that they wish to withdraw. Failure to notify a withdrawal from heats or finals will leave an empty lane and is subject to a **£10 fine**. This fine must be paid before the swimmer is allowed to continue to compete in this championship or any subsequent Notts ASA competition. Please make sure that all swimmers are aware of the procedures below: -

Withdrawal prior to the day of meet: The online withdrawal form must be used, the link to the form can be found on the website via the County Championships page.

Withdrawal on the day of meet: The online withdrawal system can be used or report in person to the timing room at Harvey Hadden **no later than one hour prior** to the start of the session.

Withdrawal from Finals: Must be made in person (**this includes reserves**) to the recorders within 15mins of the result being published, reserves not required for finals are released after this time.

Meet Programmes: NEW - Programmes will not be sold on the day of meet but will be available on-line as soon as possible prior to each day of swimming. Start sheets are also published on-line when the withdrawals for the session have been completed.

Presentations: On the day of meet there will be a time line for presentations which will be posted on poolside and circulated to coaches and stewards. Swimmers must check if they have won an award and make themselves available for presentations as required. **Swimmers are reminded that failure to attend a presentation means that the award is forfeited.**

Live Gala Results: Live Results will be available throughout the galas and can be accessed via the championship pages of the Nottinghamshire ASA County Website.
