Times must be displayed in the National Rankings database from 1<sup>st</sup> January 2025 from meets licensed at Level 1,2,3 and 4, or Masters events\*

Should the championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by applying a percentage reduction in the qualifying times across each age. Taking into account the number of swimmers and the overall length of the session.

\*Masters entries may need to be emailed over to the entry administrators due to limitations with the entry system.
